Trade Union Pro Membership Benefits

Unemployment security

When you join Trade Union Pro, you're also joining our unemployment fund. As a Pro member, you will receive the union services and **earnings-related daily allowance** if you are unemployed and meet the conditions. Our unemployment fund has some of the fastest service in the field!

Advice and help

We advise and help our members with the expertise of the most skillful professionals. Most workplaces have **a shop steward** from Pro to look after the members. Feel free to contact us and share your troubles!

Customised career services

One's own career is an important issue for everyone, and good advice is needed.

We provide you with a **personal coach**. Make an appointment online and chat with them about anything work-related: a CV, job application or promotion plans.

Useful courses and seminars

Our members can attend **courses and seminars** via webinars or evening courses at different cities. We'll cover topics such as holidays, working hours, salary systems, laws and collective agreements and well-being at work.

Extensive legal assistance

When Pro takes an employment dispute to **court**, it is free of charge to members. The value of this benefit can reach tens of thousands of euro. For our members, it's free of risk.

Affordable holidays

We offer a wide array of Holiday Club timeshares and **resorts** of our own. You can also get significant discounts on for example ski lift passes and ferry **tickets**, many **hotels** and resorts.

You are insured

As a member, you get a **free travel insurance** which also covers your family members under the age of 20.

You are also eligible for considerable insurance benefits with the mutual insurance company Turva.

Legal counselling for private life issues

The law firm we've partnered up with provides free-of-charge, confidential telephone counselling in **legal issues concerning private life**. Give them a call if you have questions about matters of family, inheritance and private law.

Membership fee only 1.25 % of your monthly earnings, never more than 49 euros per month. **Read more and join us online:** www.liitypro.fi
